February 12 2020 AIFP Interactive Webinar

8 FEB 2020

posted in: Education, Funeral Industry |

Our last webinar was a great success... this **Wednesday 12 February 2020** at **7pm** via **Zoom** - our online platform... We are getting the registration channel up and running so make sure you watch out for it!

This time out of the gate will be **Isaac Leung** from **Scientia Coffins and Caskets**, talking about all things you've wanted to know about coffins and caskets but have never been able to ask... and **Pauline Healy** from **Well Placed Care**, an independent advocacy and aged care placement service for you and your loved ones.

Again, lots of information will be offered and interaction is welcomed.

Please **forward** or send this to **friends and family** who might be interested in learning more about either or both topics!

Members, please register and attendance is part of your member benefits. Non-Members will need to register and there is a small fee for participation.

Hope to see you there!
Jacqui - Comms Director and all the AIFP Board!
